PROFESSIONAL SUMMARY

Computer Science undergraduate at CGC College of Engineering, Landran with a keen interest in software development, programming, and problem solving. Passionate about learning new technologies and applying core CS concepts to build practical solutions.

TECHNICAL COMPETENCIES

OS: Windows | Linux | macOS

Languages: C | C++ | Core Java | Python | HTML | CSS | JavaScript

Core CS concepts: DSA | OOPS | OS | Basic database Concepts

Tools & Platforms: Git | VS Code | Linux Terminal | GitHub | LinkedIn

INTERPERSONAL SKILLS

Team Collaboration | Problem Solving | Analytical Thinking | Effective Communication

INTERESTS & HOBBIES

Coding | Problem Solving | Painting | Gaming

LANGUAGES KNOWN

English | Hindi | Punjabi

PERSONAL DETAILS

Mother's Name: Pooja Rani

Father's Name: Rajiv Kumar

D.O.B: 09/01/2006

EDUCATION

Bachelor of Technology in Computer Science Engineering | CGC

College of Engineering, Landran

Session: 2024-2028 | Score: Pursuing

Intermediate (CBSE) | Montfort World School, Karnal

Session: 2023-2024 | Percentage: 82%

Matriculation (CBSE) | Delhi Public School, Karnal

Session: 2021-2022 | Percentage: 86%

PROJECTS

Personal Portfolio Website | HTML / CSS / JavaScript

- Designed and developed a responsive personal portfolio website to showcase skills, education, and projects.
- Applied clean UI/UX principles to ensure a user-friendly and visually appealing layout across all devices.
- Gained hands-on experience with web technologies and responsive design techniques.

Student Management System | C++ (OOP Project)

- Built a console-based student record management system using Object-Oriented Programming in C++.
- Implemented features for adding, updating, deleting, and searching student records.
- Applied OOP principles including classes, objects, inheritance, and encapsulation.

Number Guessing Game | Python

- Developed an interactive number guessing game in Python to practice logic building and control flow.
- Incorporated hints, attempt tracking, and difficulty levels to improve user experience.

ACADEMIC ACHIEVEMENTS

- Completed Introduction to Programming and C Fundamentals coursework
- Maintained strong academic performance in B.Tech Computer Science Engineering

CERTIFICATIONS

- Introduction to Programming – Coursera / NPTEL (Pursuing)
- Web Development Fundamentals – Online Self-Study

EXTRA CURRICULAR & CO-CURRICULAR ACHIEVEMENTS

- Active participant in college tech fests and coding competitions organized by CGC Computer Science Club, contributing to peer learning sessions
